

Phone Clip: Works with phones in cases up to 5/8" deep

Phone Clip: Fits nearly all phones and many other small devices

Phone Solutions

Two Solutions Available

501123 - ModularHose Universal Phone Clip

The universal phone clip allows for phones of all sizes to be used with the ModularHose system. Even works with phones in cases up to 5/8" deep. Clip comes with a 3/4" ID mounting bead.

501111 - ModularHose Phone Strap

Allows for a quick and easy (and secure) way to mount phones to the ModularHose 3" disc. (3" disc sold separately) Works with nearly all phones, music players, and other small devices. It even works with most cases.

Phone Clip: Opens up to 3.75 inches

Phone Strap: Works with the ModularHose 3" disc

Both holders work with or without cases

Phone Strap: Wraps around the edges

Phone Strap: It's pretty sweet

Phone Strap: Easily fits around the ModularHose pieces
